World Communities Concert

8

Add a new dimension to your studies of various world cultures with joyous song! Your students will experience an Indian tabla drum, an exotic stringed instrument from Europe, a “pocket instrument” with global roots and more as they sing in various languages, answer questions, laugh, and perhaps most importantly, think about ways in which we are all similar. Dave also talks about his own eye-opening trips to Asia and the Middle East.

Optional songwriting session available after the concert – write your own song about our similarities across cultures!

Adaptable for K-6, 45-50 minutes

“Student Response – ***Excellent***, Artistic Quality – ***Excellent***, Educational Quality – ***Excellent***, Presenter Interaction with Students – ***Excellent***, Technical Quality of Program – ***Excellent***”

Cheryl Bertholf, Teacher, Tri-Valley Elementary School, Grahamsville NY
